## Happy Valentine's Day

February 1, 2007

### Dear Brother Sir Knights

This month we celebrate the birthday of one of our most famous patriots, George Washington. In 1775, Washington was chosen as the Commander in Chief of the Colonial Army. Due to the brilliant planning of George Washington and some help from the French late in the War, the British were defeated in 1781 after many bloody battles. The Americans were now independent of the British. Washington was unanimously elected President of the United States of America by electors in early 1789 and again in 1792. During Washington's presidency, the Bill of Rights (the first 10 amendments to the US Constitution) was adopted (in 1791). The Bill of Rights guarantees the rights of the American people. Patriotism is remembering our forefathers founded our nation based on principles from God. Did you know that the Declaration of Independence contains five references to God - God as Supreme Lawmaker, God as Creator of all men, God as the source of all rights, God as the world's supreme judge, and God as our Protector on whom we can rely.

"If we ever forget that we are One Nation Under God, then we will be a Nation gone under. ~ President Ronald Reagan

Lady Sandy and I wish to thank our Captain, Shawn Ansbro for the Assemblies outstanding December holiday ham dinner and gift exchanged program. We were very pleased with the number of Sir Knights and their families who were present. Judging by the many favorable comments received, this activity was greatly enjoyed by all who attended. I would like to express a "well done Commander" to our commander Cary Hisey. Cary, Stephan McCellan, Phillip Siedlecki, Eugene A. Ebert and the Faithful Navigator of Assembly 809, Ralph Blamer, performed flawlessly as a color guard team on 6 & 7 January while posting the colors during the opening of the KofC State District Deputies Meeting. Thanks again Sir Knights, you looked sharp.

Lady Sandy and I are looking forward to the Navigators Dinner Dance on 3 March. I hope many of you will attend and enjoy the camaraderie, good food and night out with your Lady and friends. Reservation forms are available in this newsletter as well as on the Assembly website.

I encourage all to recruit new members for the 17 March 2007 Exemp. Registration information is available on the Master's Web site, [www.kofcoho.org/master](http://www.kofcoho.org/master). Additionally I want to thank Nobert Smithberger for his aggressive sales of Program book ads. It is my hope our Admiral will receive additional ads' from other Sir Knight's who are making the effort to sell ads and those who will submit a personal ad.

On 28 December, our Assemblies 4 top chair officers' and Purser met with the chair officers of District 3 Assemblies to talk about forming a group of District 3 chair officers to function behind the scenes in an unofficial capacity separately but in support of the District, the Master and the Fourth Degree Team(s). One of the goals for this new organization is to be structured so it will be perpetual. In other words, survive past the terms of office of the current Navigators and survive past the term or our current Master. This will also allow the organization to: Be administered by our current Faithful Navigators, utilize the wisdom and experience of the Admirals, prepare and develop the Captains and Pilots for their future leadership roles and build more camaraderie throughout the District and between Assemblies. The first goal is to establish a 4<sup>th</sup> degree team and obtain all props necessary to conduct an Exemplification ceremony by the fall of 2007. If you are interested in helping out, please let me know.

The Veterans support program of collecting used cell phone and ink jet cartridges is doing very well. I have sent in the first batch collected and will soon receive a vendor recycle check. Please remember to talk to your friends, employers and council members about our Assembly VA support Program and encourage all to participate.

Fraternally Yours in Christ

## Admiral's Report ... Exemplification March 18th 2007

Enclosed in this newsletter is the 2007 Program Book Ad contract. Since the Program Book is the only major revenue source for the Exemplification. I am asking that each Sir Knight sell one \$55.00 ad. That is it ... one \$55.00 ad will meet our commitment.

Remember that the meeting on the 28th is candidate night and if you have sponsored a new member, you should bring them to the meeting.

## Captain's Report - January 2007

The January dinner was a fun event. The subs were enjoyed by all and thank you for assisting in covering the costs! The February meeting is our chance to show off to the perspective members. We will be doing spaghetti and meatballs so bring a side salad, bread or a dessert to go along with dinner.

Remember, proceeds pay the base costs of food and the rest help support the hospitality room at the March Exemplification. Think of it if you had gone out to dinner and what you may have spent (even at Wendy's). See you at the next meeting!

At the January meeting I ask that you bring a bottle of alcohol or 12 pack of beer to help stock the hospitality room. The money we have raised so far will cover most of the food and pop costs that we need. Thanks again for all your support in this very important endeavor.

If you need anything or wish to contact either Lady Dee or myself, here is the information: 614/759-7876 or [sansbro6153@wowway.com](mailto:sansbro6153@wowway.com).

**Flag/Banner:** The flags are available we just need to pick them up. We will have them for the Color Corp practice in the gym. For the Banner we are looking at rip-stop vinyl. ## Ladies of Assembly 2900:

We had a wonderful time at the January assembly meeting. After the men went to their meeting, we had our baby shower - complete with gifts, cake, mixed nuts, and 'Baby BINGO'. The lovely gifts are going to J.O.I.N. - Joint Organization for Inner City Needs. Then, we played a rousing game of Greedy. We were having a wonderful time when the men's meeting ended. I think the guys are wondering just what game we play that we enjoy so much and laugh so much while we play. I love the camaraderie!

We have a busy agenda for the February meeting:

1. Assemble the centerpieces for the Exemplification on March 17.
2. Put together baskets for the raffle at the Exemplification.
3. Socialize.

I purchased items for us to use in assembling the centerpieces. I told you that I have difficulty in visualizing, so I hope my ideas meet with your approval. After all, our assembly name is going on the centerpieces. Each centerpiece is to have a card stating it is courtesy of our Assembly.

Please bring items to build baskets for the raffle. I was thinking that we could have two baskets: a masculine basket and a feminine basket. Please bring items that could be put into the baskets.

*Lady Dee.*

## Service Announcements

Assembly procedures reminders:

Any request for funds should be presented to the officers first. It should also include a way to fund the project.

The form for this is available on the website. *Any motion brought up without prior information can be tabled until such time that the officers have reviewed it.*

We passed a resolution that assured that we are not duplicating any Council activities. By allowing the Officers to preview any request we can be sure this is followed.

## News for Veterans:

Did you know that for the seventh straight year, the Department of Veterans Affairs (VA) has received significantly higher marks than the private health care industry on a leading independent survey of customer satisfaction.

“Our patients are the best judges of our health care system, and for the seventh consecutive year, VA has received high marks from its customers in this independent study,” said Secretary of Veterans Affairs Jim Nicholson.

“This study reaffirms VA’s success in providing world-class health care to our nation’s veterans.” - The annual results from the American Customer Satisfaction Index (ACSI) also showed that overall satisfaction of patients for both inpatient and outpatient services increased last year at VA medical facilities.

The new ACSI survey results showed that the VA scored 84 percent in customer satisfaction for inpatient services, up one point from the 2005 rating. The rating of 82 percent for outpatient care was two points higher than last year’s mark. VA significantly outscored the private sector in both categories, by 10 points for inpatient care, and eight points for outpatient care.
