Veterans Day - 11 November 2008

Dear Brother Sir Knights and Ladies:

By the time this is out the 2008 Presidential elections will be over and we will begin the transition to a new presidency. No matter which of the candidates wins we must during the coming year continue to support our country and our religion.

Responsible citizenship is a virtue and participation in the political process is a moral obligation. This not only includes our vote, but also the adding of our voices to express what our country should represent, a country that believes in freedom and a right to life for all no matter how young or old. A nation that respects everything that God has given us and strives to care for it and hand it down so that future generations may see what God hath wrought. A people of love who seek out and welcome those less fortunate than ourselves, who support each other and build each other up, and a forgiving people able to put aside those differences we may have and focus instead on the fact that we are all God's children and we should love and care for each other as God loves and cares for us. Keep all these thoughts in mind as we go through the changes in the coming year and always strive to remember your Knightly virtues, Charity, Unity, Fraternity, and Patriotism.

Show your Patriotism and support for our troops past and present by participating in the 2008 Veterans Day Parade being held in downtown Columbus on Nov. 7th (Friday). The Parade starts at 12:00 and the formation starts at 10:00. A float will once again be provided for those who can't walk the whole parade.

Thanksgiving is coming up at the end of the month. This is a holiday dedicated to giving thanks and prayer to all we have been given. It is a wonderful chance to attend Mass and thank the Lord for all our friends, family and other loved ones, both living and deceased, who have shared and shaped our lives throughout the years.

Be sure to regularly check the website www.kofcassembly2900.org, and you e-mail for the latest on events throughout the month. For information on upcoming state events please be sure to check out www.kofcoho.org.

Fraternally yours in Christ

Improved Benefits Aid Disabled Veterans in Adapting Homes:

WASHINGTON - The Department of Veterans Affairs (VA) will use a locality-based approach in raising ceilings on its no-down payment home loans from the current \$417,000 to as much as \$729,000. The increases are effective immediately under legislation recently enacted with President Bush signing the Housing and Economic Recovery Act of 2008. That law also improved VA's Specially Adapted Housing Program. It raises primary grants from \$50,000 to \$60,000 toward constructing a new home or modifying an existing home to meet adaptive needs of veterans or active duty service members with certain service-connected disabilities.

At the Hennepin Conference Vice Supreme Master reported a change to the 4th Degree Knight procedure for receiving the Eucharist during Holy Mass while in regalia.

Effective immediately Chapeau's and Gloves will be left in the seats and the Sir Knight may receive communion under both species of bread and wine.

Pledge of Allegiance

Again we were reminded that during the Pledge of Allegiance, that the phrase "born and unborn" be dropped. The phrase "and Justice for all" covers all life.

Saluting our Veterans

November 11, 2008 is Veterans day. What is Veterans day?

“**Veterans Day** is an American holiday honoring military veterans. Both a federal holiday and a state holiday in all states, it's always celebrated on November 11th each year. It is also celebrated as Armistice Day or Remembrance Day in other parts of the world, falling on November 11, the anniversary of the signing of the Armistice that ended World War I. (Major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918 with the German signing of the Armistice.)”

In 1954 the Holiday was changed from Armistice Day to Veterans Day to honor American veterans of all wars.

The difference between Veterans Day and Memorial Day

Memorial Day honors service members who died in service to their country or as a result of injuries incurred during battle. Deceased veterans are also remembered on Veterans Day but the day is set aside to thank and honor living veterans who served honorably in the military - in wartime or peacetime.

Also did you know that the holiday is commonly printed as *Veteran's Day* or *Veterans' Day* in calendars and advertisements. While these spellings are grammatically acceptable, the United States government has declared that the attributive (no apostrophe) rather than the possessive case is the official spelling.

We are privileged to have veterans as members of our council. The next time you see one of them, thank them for their service. Without them and the sacrifices they made, we would not live in the greatest country in the world.
