On the third day He Rose ...

Dear Brother Sir Knights and Ladies:

Spring flowers are blooming and so is our Pilots Report. The first part of the year has flown by and we are gearing up for the spring and summer events. By the time of our next meeting we will have completed another 4th degree Exemplification and will have some new members for our assembly. Please welcome these new members and carefully teach them about our 4th degree functions. I am sure they will be looking to everyone for guidance. There are many events that you can attend throughout the coming months. Spring brings with it First Communions and Confirmations for many of our young Catholics and what better example can we set for them than to help start their spiritual journey by participating in these once in a lifetime events. Please see the Pilot's report and try to attend some of these functions.

We have set the date for our annual **golf outing - August 29th** - we need all the help we can get (special thanks to those that already volunteered) and remember this event helps support our veterans.

Also, we will need to nominate officers for the next fraternal year. Please consider stepping up and helping out - if interested please consult our trustees. The Assembly is a social and visible arm of the order. Being an officer takes just a little work one night each month for the meeting as an officer, but keep in mind the brotherhood and friendship we gain. It is the one area we can bring our families together with others that have similar interest. Ask yourself - is TV, sports, all our other activities more important than a single relaxing evening a month? Please become active if you can.

Be sure to regularly check the website www.kofcassembly2900.org, and your e-mail for the latest on events throughout the month. For information on upcoming state events please be sure to check out www.kofcoho.org.

Fraternally Yours in Christ

S. David Baker

From the Captain's Galley

Thanks to all who provided side dishes last month's chicken dinner. This month we will be having pulled pork. We hope that you will be joining us this April 21st. If you have any ideas or requests for upcoming dinners please make your ideas known.

For the Ladies: From Rita

While engaging in girl talk, we will be learning how to make baby blankets. If you would like to make blankets bring 2 pieces of 1 1/2 yard fleece fabric. It is suggested that one piece of fabric be a baby print while the other a complementary solid color. A sharp pair of scissors will also be helpful.

Seton Youth Handbell Ringers at April Exemplification

During the past Christmas season, the Seton Youth Handbell Ringers and Youth Singers performed a number of community service "concerts" playing traditional Christmas songs and carols. They both performed at Culvers Restaurant and Walmart in Reynoldsburg and the Youth Ringers also performed at the North Market in downtown Columbus.

They were featured in an article in the Catholic Times (back page) along with pictures from these events. As a result of this article, the Youth Ringers (via Pandora) were asked to provide background "dinner" music at a luncheon for a KofC event at Cherry Valley Lodge in Newark on Sat, Apr 17th. The ringers will be playing for about an hour and will ring a myriad of songs from Disney, and from several well known movies and plays such as Fiddler On The Roof, Ice Castles, Mary Poppins and others.

April 2010

From the `Days of Devotion by Pope John XXIII

In the General Audience of 25 October, 1959 Pope John spoke of the great prayer; "Our Father." This is the Third of the series about the prayer the `Our Father'

"Thy will be done"

Thy will be done (Matthew - 6:10). The Lord's will is the third shining light, set to guide and inspire all men. It points to the effort everyone must take to ensure his own salvation, because it is written: "For this is the will of God your sanctification." (1 Thessalonians - 4:3)

Above the fears and griefs which move the heart of the Chief Sheppard of the Universal Church as he observes the unfaithfulness of many, too many, who yield to the temptations of the devil and become corrupted and lost, there also shines the vision to be seen from Rome, the vision in which the Vicar of Christ is able to admire the prodigies of faith, love and sacrifice which are so abundant, on a vast or humble scale, throughout the world. These miracles, sometimes wrought in blood and sufferings, attest the everlasting sacrifice of Calvary, which redeems and saves all men.

Next month: "GIVE US THIS DAY OUR DAILY BREAD"
