Columbus Day

Dear Brother Sir Knights and Ladies:

We have now entered the second quarter of our fraternal year. Our individual charge for the upcoming month is to remember and honor our veterans and vote. Express your gratitude in public by attending a civic event, or at least, individually thank a veteran for his service. Vote. It is your privilege and duty, encourage others to vote and maybe assist someone someone in need to get to the polls.

During the last month our Assembly has actively participated in two major Fourth Degree meetings. We were well represented with six members from our Assembly at the Third District meeting and five participating at the Hennepin Provincial meeting.

At the September 26th Third District meeting Master Charles Giametta reminded to stick to basics. As Fourth Degree Knights we are the most visual representatives of the Knights of Columbus. If we are to be successful we need to be visibly active and participate in Fourth Degree events, let others know who we are and have us recognized by our good works. Let us be proud of our regalia make sure we care and display it properly, and most of all, wear it proudly. We also must make the effort and take the time to become more knowledgeable about our ceremonials. Besides the multiple available manuals, the State website (kofcohio.org/master District 3 tab) provides a vast amount of quickly available useful information.

Some pertinent information from the Provincial meeting was also stressed at our District meeting. This included our need to continually recruit 1st Degree Knights then usher and finally have them join the ranks of the Fourth Degree.

Supreme has finally made a formal ruling on the "born and not born" phrase at the end of the *Pledge of Allegiance*. By a vote of the delegates it was decided that the phrase should not be used. Therefore, this phrase should not be added whenever the pledge is recited at Knights of Columbus events.

There is also a change coming to the 4th Degree lapel pin. Promised to be enacted in November (maybe by January) the pin will be officially changed to include a design that displays both the 4th degree emblem and the flag. Once the pins become available the old pin will no longer be part of the uniform.

In attempt to give access to members regalia who do not yet own their own we are searching for members who have regalia items that are not being used or due to circumstances believe they will no longer need. If you have such items or know of someone who might be interested in helping, please contact any of the officers.

At our October Assembly meeting we will be finalizing plans for our memorial service plans and have further consideration of a Winter/Spring social event. Please be ready to give input to these plans. Keep in touch by visiting our website. If you have any questions please do not hesitate to call.

PRAYER BEFORE STARTING WORK

My Heavenly Father, as I enter this workplace,
I bring your presence with me.
I speak Your peace, Your grace, Your mercy,
and Your perfect order into this office.
I acknowledge Your power over all that
will be spoken, thought, decided, and done within these walls.
Lord, I thank you for the gifts You have blessed me with.
I commit to using them responsibly in Your honor.
Give me a fresh supply of strength to do my job.
Anoint my projects, ideas, and energy,
so that even my smallest accomplishment
may bring You glory.
Lord when I am confused, guide me.
When I am weary, energize me.
When I am burned out, infuse me with the light of the Holy Spirit.
May the work that I do and the way I do it bring
Faith, joy, and a smile to all that I come in
contact with today. And oh, Lord,
when I leave this place, give me traveling grace.
Bless my family and home to be in order as I left it.
Lord thank You for everything You've done,
Everything You're doing and everything You are going to do.
In the name of Jesus I pray, with much love and
Thanksgiving
Amen

From the `Days of Devotion by Pope John XXIII`

As the United States is becoming less active in its space program I would like to let you know that early in the program Pope John XXIII was well aware of the tremendous achievement that man had engineered. This is his writing on the subject.

“The Angelus for the Astronaut”

The *Angelus* concentrates for all time the union of heaven and earth, the divine with the human. In this hour today we wish to associate with intentions of our prayer the young pilot in space.

Beloved children belonging to all races, you have come together like good brothers, while the pilot is proving, in most scientific manner, the intellectual, moral and physical powers of men, and continuing that exploration of the creative world which we encouraged to make in the first pages of Sacred Scripture, when the Lord told man he was to multiply and fill the earth.

The nations, and especially young generations, follow with enthusiasm the developments of the wonderful flights and navigations in space. Oh. How ardently we wish these enterprises could assume the significance of homage to God, the Creator and supreme “Lawgiver”

May these historical events which will be recorded in annals of the scientific exploration of the world become expressions of true and peaceful progress, the firm foundation of true and peaceful progress.
