Happy Valentine's Day!!

Dear Brother SKs and Ladies:

We will continue our discussion of the best way to support veterans at our next meeting. There are several opportunities available to us. If you have a specific idea or program, please contact one of the Assembly officers so we can give consideration to that idea or program.

As I mentioned in the last newsletter, increasing membership increases our visibility throughout the parish and communities. Be sure to invite and encourage any fellow third degree Knight to in attending our monthly social dinners and participate in our upcoming Spring Exemplification. We will also need to sell ads, so please get a copy of the Ad form on the Website and ask some of your local merchants to consider placing an ad.

On Friday, April 17th, 2015, the annual Father McGivney Past Faithful Navigator dinner dance will take place at the Cherry Valley Lodge in Newark. There is an opportunity for you and your lady to append an evening with other Assembly members. Please plan to attend. I promise there are no speeches at the dinner dance.

At our next meeting Wednesday, February 25th, 2015, we will have the appropriate paperwork for all interested in attending our Spring Exemplifications on April 17th and April 18th, 2015.

As mentioned at our last month's meeting, I would encourage all Brother Knights to email Jesus Garcia @ jvlag3@ameritech.net on your upcoming wedding anniversary so he may recognize you and your lady. Please provide your name, your ladies' name, and the number of years. It is your responsibility to inform Jesus prior to your anniversary month as we have no way of keeping track of this information.

Christy Borgeld said, "The foundation my parents laid down with our faith continues to be my core." As a member of the Knights of Columbus, we help set the foundation of faith for our families and community. The things we do as either a Council or as an individual are big part of that foundation. Thank you for your efforts in creating a solid foundation of faith for the future.

Our Faithful Patron, Bud Joos regaled us with the following tale ... Sister Mary Ann was driving on her way to visit her home bound patients out in the country. She unfortunately ran out of gas. A Texaco gas station was only about a mile away. She walked there to borrow a can and buy some gas. The owner sorrowfully explained that he only had one can and somebody had just borrowed it and it was not here. He explained that she could wait and it would surely be back soon. Sister thought about it and elected not to wait and walked back to her car. Once there, she remembered there was a bed pan in the trunk! She decided that it could be used to transport the necessary gasoline and carried it back to the station. After returning, she began filling the tank from the bad pan. As she was pouring the gas in, two Baptists were walking

by and saw her from across the road. Both were astonished and one turned to the other and exclaimed..."If that car starts...I'm turning Catholic!"

The meeting was called to a close in our normal manner at ~8:30PM.

Respectfully submitted by:

Lady Diane and I are asking for possible ideas for an Assembly night out. We've done dancing and dinner at the 94th Aero Squadron and a dinner theatre at the Spaghetti Warehouse the past couple years. Please bring your suggestions.

Respect Life - Happy New Year!

Due to a busy holiday season and travels, I have not written a Respect Life article for a couple of months. I would like to wish all of you a belated Happy New Year!

Recently Ohio Right to Life sent out this brief summary of 2014 achievements:

9% drop in abortions in Ohio

6 pro-life laws passed through the Ohio General Assembly

Ohio Right to Life Infant Adoption Reform signed by Governor Kasich

100% of ORTL statewide candidates elected

85% of total ORTL candidates elected

3 abortion facilities CLOSED

1 abortion facility denied license

1 Planned Parenthood abortion facility fined \$25K

As you can see, we have accomplished much, including Dr. Samuels deciding to quit the abortion business - we believe our prayers and all the "honks for Life" in front of his Pickerington clinic influenced that decision.

But we still have a long way to go to eliminate abortion in our state and country. The Founders abortion mill is busier than ever, but they are nervous about the presence of Pro-Life people frequently praying in front of their facility. They recently hired escorts to bring women into the clinic while preventing our sidewalk counselors from talking to them. It is very significant that they only escort the women INTO the clinic but not OUT of the clinic - once they have their money the women are on their own. The women often leave alone, emotionally hurting, and clutching their abdomen in pain.

There is something YOU can do! This Lent there will be another **40 Days for Life campaign** from Ash Wednesday to Good Friday (Feb 18 - Mar 29). We will be praying at the Founders abortion mill at 1243 E. Broad St in Columbus. Please watch the bulletin for the date Seton will cover and sign up to pray for one hour at the clinic. Of course, you can stand and pray at any time during the 40 Days.

Also during Lent we will once again **collect new and gently used baby clothing** for PDHC. There will be a pack 'n play in the gathering space for these items.

The diocesan **Respect Life Conference** will be Saturday, March 7, 2015 at Immaculate Conception Church. The keynote speaker will be Bishop Frederick F. Campbell, who will speak about the USCCB Respect Life program, *Each of Us is a Masterpiece of God's Creation*. Other featured speakers will cover topics from the beginning of life to its natural end and how members of the Church can embrace those issues. Mass will begin at 9 am and the conference runs from 10 am until 3 pm. Contact the Office of Social Concerns (614-241-2540) to register (\$20 including lunch).
